

Community Care Connections, Inc.

ABOUT COMMUNITY CARE CONNECTIONS, INC.

Community Care Connections, Inc.'s mission is to provide programs and services that

empower children and adults with disabilities to live more safely and independently in their homes, schools, neighborhoods and communities. Since 1972, CCC has been providing therapy, education, advocacy, recreation, community residences and in-home support, allowing our consumers to achieve their personal goals and fully enjoy their lives.

The **Golden Opportunities Adult Day Center** creates “golden opportunities” for seniors and adults with disabilities to experience a variety of enjoyable activities in a safe, friendly day program atmosphere. Participants are supported by caring staff who respect their rights to choose activities that appeal to their interests and abilities. The activities allow them to maintain the skills they have acquired throughout their lifetime.

The **Community Home Program** offers eight residences for adolescents and adults with disabilities. Located throughout Butler County, our homes have been in operation since 1978. Our trained staff assist residents with their personal care according to their individual needs. The staff are responsible for completion of daily tasks such as cooking, cleaning, shopping and laundry.

The **Attendant Care Service Coordination Program** offers coordination of non-medical personal care services in the comfort of your home. As a *local community agency*, we are able to provide a quick response to your inquiries about Attendant Care Services.

The **Elks Home Service Program** assists individuals with disabilities and their families to identify and access the educational, medical and/or program services they need to improve their lives.

The **Adult Services Program** offers educational and life skills activities for Butler County adults with disabilities. Participants learn and reinforce the skills that will enable them to live more independently.

The **Infant-Toddler Therapy Services Program** provides support to children birth to 3 years of age who have a developmental delay or disability. Our therapists and developmentalists work together as a team to collaborate about your child's therapy to maximize his progress. We work with your family as a whole, as every member plays a special role in your child's life.

The **Children's Services Program/Camp Apple** offers structured recreational activities throughout the school year and summer day camp for children with disabilities.

Children learn important life and safety skills and relationship building through games, crafts, cooking and other supervised activities.

"If it wasn't for this program, my boys would be stuck at home with not much to do. They have made many friends so the socialization is very important to our family. My husband and I get to spend some time together without the boys (alone time is nice.)" - G.C. Parent of Children's Services Program participants.

The **Homemaker Chore Program** helps adults with disabilities to remain in their own home by providing assistance with light housekeeping chores.

Trained homemakers can assist with everyday tasks including sweeping, vacuuming, dusting, meal preparation and personal laundry and grocery shopping.

Chef Tasting Party & Auction

Each year Community Care Connections, Inc. hosts the Chef Tasting Party & Auction at The Mansion, located on Rt. 8 South of Butler. This event is our major fundraiser which provides support for programs and services not otherwise funded by government grants.

Featuring dishes prepared by chefs from the area's finest restaurants, and wines, beers and specialty coffees, Chef Tasting also offers a silent auction and specialty raffles.

For more information, visit the Chef Tasting website at

www.cheftasting.net.

"I love the level of dedication the staff, Board and other volunteers have to the consumers and their families."

*Lynn Patterson, President,
CCC Board of Directors.*

Community Care Connections, Inc. provides programs, services and employment opportunities without regard to race, sex, color, national origin, ancestry, religious creed, disability or age.
