

Golden Opportunities Adult Day Center

ABOUT THE GOLDEN OPPORTUNITIES ADULT DAY CENTER

The Golden Opportunities Adult Day Center participants are supported by caring staff who respect their rights to choose activities that appeal to their interests and abilities. The activities allow them to maintain the skills they have acquired throughout their lifetimes.

The Golden Opportunities Adult Day Center provides a hot lunch daily along with snacks. When assistance with personal care is needed, it is always provided in a manner that respects the dignity of the person receiving care.

The Golden Opportunities Adult Day Center offers therapeutic activities to meet each participant's physical, social and intellectual needs. Our registered nurse visits monthly to monitor participants health and medical issues. All staff are trained in Medication Administration. Regular and as-needed medications are stored securely and administered.

The Golden Opportunities Adult Day Center offers *in-house field trips* which allow our participants to enjoy manicures, musical entertainment, Bible study, interaction with therapy pets and other stimulating intergenerational activities without leaving the comfort and security of the center.

The Golden Opportunities Adult Day Center offers peace of mind to caregivers who are unable to be with their loved ones due to work and other family responsibilities.
